Miss Bessie Clark returned yesterday from a pleasant visit with friends at Fernleaf.

This is the wind-up week for vaudeville at Beechwood, and you'd best not miss it.

Hon. William H. Cox, Grand Representative, will leave soon to attend the Sovereign Grand Lodge, I. O. O. F.

The refrescoing of the First Presbyterian Church is nearly finished, and the main scaffolding has been removed.

The new Postoffice Building is provided with a "lookout," in order that the employees may be secretly watched while performing.

The picnic of the Christian Church and Sunday-school will be held Friday, September 1st, rain or shine, at Beechwood Park.

The crowd at the Germantown Fair Saturday is said to have exceeded that of any former year \$400 worth. Everything with wheels on went from Maysville.

The "sofy" which auto have returned to Flemingsburg at 5:40 Saturday evening didn't materialize. Some of the hinges gave out; but the sprinter's all right again.

Watch it grow! On Saturday two Christian ladies added each \$1 to the fund for the relief of Master John D. Becraft; and a valued employee of THE LEDGER "chipped in" a half. Who will be next—and how many of 'em?

If you want a "diamond" call and let me show you how cheap I can sell you a fine stone. We bought our "diamonds" before the advance, hence you can see understand why we can sell you cheaper than others.

P. J. MURPHY, the Jeweler.

The Germantown Fair closed Saturday one of the most successful meets in its fifty-one years history. It is said that the crowd Saturday exceeded that of any day in many years. Barring a bursted pipe on the engine which put the Merry-go-Round out of business for several hours, there wasn't a hitch in the enjoyment.

Messrs. M. C. Russell Company, always in the lead, will be the first Maysville house to have a lady traveling representative. Miss Katie O'Brien is to start September 11th on her initial trip for this house, her territory being Robertson, Bracken and Pendleton counties in Kentucky and Adams and Brown counties in Ohio.

Miss Allie Linn and Mr. Leo Edwards, both of Ripley, will be married at that place September 11th. Miss Linn is the daughter of Hon. Charles Linn, is one of the efficient school-teachers of the Ripley schools, and has a host of relatives in this city. Mr. Edwards holds a Government position, and is at present in South Dakota.

Mr. William Hoops, who has had charge of the engine at the Ohio River Lumber Company's Mill in the East End for some time, has resigned his position and will in the morning take charge of the engine-room at the Magnolia Flour Mills, vice Edward Hall, resigned. Mr. Hoops is a first-class Engineer, and will prove a valuable man in his new quarters.

C. LEWIS OVERLEY.

Mr. C. Lewis Overley died Saturday afternoon after a protracted illness, at the Eastern Kentucky Asylum at Lexington.

The deceased was born in Fleming county, near Tilton, 65 years ago. He served as a member of the Sixteenth Kentucky Infantry during the Civil War, and was for many years identified with the well known firm of M. C. Russell & Son, this city.

He leaves a wife and other relatives to mourn his death.

The remains arrived here this morning on the 9:50 L. and N. train, and the funeral will take place from the home in Casto street tomorrow morning at 10 o'clock, with services by Rev. R. E. Moss.

Interment in the Maysville Cemetery.

This fact is well known to Druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent Druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by all Druggists.

"WERE our ancestors fish?" asks a writer in The Cincinnati Commercial Tribune. Not all, possibly; but from the number of "sharks" and "suckers" that develop almost daily, many of them undoubtedly were.

THE unwelcome news comes now that diamonds have been advanced 5%. This will probably cause an increase in the price of Mr. ROCKEFELLER's oil. There will be no change, however, in THE LEDGER's advertising or subscription rates.

EDITOR PERRY of Winchester wrote a funny piece for his paper last week, and the intelligent compositor left out the word "teeth," destroying the joke. A good many Democrats would like to be in that compositor's place, so they could yank the teeth out of Bob's articles.

COLONEL GEORGE WASHINGTON, Newport's ablest lawyer and a lineal descendant of WILLIAM WASHINGTON, brother of the President, whose death occurred a few days ago, was a private soldier in the Confederate Army; and his claim to being a true Democrat is best proven by this sketch from his political life—

"In 1899 Colonel WASHINGTON was urged to place the name of Senator GOEBEL before the famous Music Hall Convention at Louisville, but declined the request.

"Like a great number of prominent leaders of the old-line Democracy of Kentucky, Colonel WASHINGTON in that year sacrificed all future political aspirations by denouncing the methods through which Mr. GOEBEL became the Democratic gubernatorial candidate, and took the stump against him."

JAPANESE bonds continue to advance in the world's markets, while Russian I. O. U.'s are not wanted.

ONE of the very bestest Democrats in all Kentucky writes from his summer retreat, "I can't get along without THE LEDGER." Certainly not; might just as well go fishing without a jug of "bait."

THE Louisville Herald calls attention to the fact that wealth is multiplying in America much faster than population, and says the population of this country increased from 1850 to 1900 in the ratio of three and one-third times. It was 23,000,000 in the first named and 76,000,000 in the last named year. But its wealth, which was \$7,000,000,000 in 1850, had increased in 1900 to \$94,000,000,000, or multiplied more than thirteen times. The wealth of the world's chief countries is thus estimated in 1905—

Spain	12,000,000,000
Italy	18,000,000,000
Austro-Hungary	30,000,000,000
Russia	35,000,000,000
France	45,000,000,000
Germany	50,000,000,000
United Kingdom	55,000,000,000
United States	110,000,000,000

While the United States is moving upward and far away from all competitors, Germany has distanced France and is giving Great Britain a close race for second place. Industrial education has done much for Germany. With a more inhospitable climate and less generous soil than that of France, German intelligence has scored success after success in the field of competitive industry. Given a wider field of activity and a better grasp on the world's markets, German industry would certainly add enormously to Germany's present National wealth. But the United States has nothing to fear from any competitor. Our Protective Tariff, besides securing us the home market, the best on earth, renders necessary the production of the best goods. The world now wants the best only.

INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden death. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels, give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence, even in cases of cholera infantum. For sale by all Druggists.

KENTUCKY'S BIRTH RATE

Decrease As Shown by the Census Bureau at Washington

The Census Bureau has made public figures showing how the state is turning the cold shoulder toward Kentucky.

The decrease in the birth rate in Kentucky since 1850 is remarkable.

The proportion of children under five years of age to 1,000 females of child-bearing age—16 to 49 in Kentucky—at the various decimal periods was as follows: 1850, 740; 1860, 727; 1870, 650; 1880, 627; 1890, 549; 1900, 534.

It will be noticed that the decrease has been steady.

THE PEOPLE'S CHOICE FOR CHIEF OF POLICE.

Of the several aspirants for the responsible position of Chief of Police of the City of Maysville, none looms up before the public in as large magnitude as does the people's favorite, Doctor J. P. Wallace, whose announcement, as well as his picture, appears in today's LEDGER. As an officer and as a citizen Mr. Wallace is known throughout the city. He is energetic and fearless in the discharge of his duty, and if elected—as he says he certainly will be—the city will have an officer in every sense of the word.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

During Saturday night and Sunday eight arrests were made for being drunk and disorderly. There will be eight subjects on the stool of repentance in the Police Court this afternoon.

River News

The J. T. Hatfield and J. B. Lewis have returned to the Kanawha with empties.

Fairly good rains have fallen over the territory about headwaters, and packet water is expected to continue indefinitely.

The bridge at Monongahela City has been ordered raised by the United States Government and the channel widened.

The Virginia down from Pittsburgh and the Henry M. Stanley up for Charleston is the scheduled movement of the packets for tonight.

The committee of the Business Men's Club which was appointed to establish a boat line from Kentucky river points to Cincinnati has found difficulty in securing a boat owner who would put a boat in that trade.

Since the new marine law went into effect July 1st, it is said the boats are better equipped with life-saving conveniences than ever before. With the new fire drill and increased number of life-preservers added to each boat, the owners and crews are prepared to take care of the passengers in case of accident.

Correspondence

FOXPORT.

Perry Lawrence, wife and baby are visiting at Ewing.

C. L. Doyle, is having a new barn at his home near town.

A band of gypsies is camped near town and telling fortunes.

Santa Million is quite poorly with typhoid fever at this writing.

Santa Million and Dan Franklin both had a horse to die last week.

Several here are having quite a tussle with something like the grip.

Rev. McGuire preached at the Valley Sunday and Monday night of last week.

Conney Politt and Willie and Yantis Thomas have returned from a week's visit to their sisters at Vanceburg.

M. T. Doyle and wife passed through here Sunday evening on route home from the Vanceburg Fair.

Mrs. I. J. Million, who has been indisposed for the past week, is somewhat better, we are glad to report.

Miss Edna Doyle, accompanied by her two brothers, were in Flemingsburg Saturday having her eyes treated.

Uncle Thornton Wheat is expected home from Cincinnati, where he has been visiting for the past two months.

Master Chester Selsor was the fortunate one in drawing the 42 piece dinner set given away at J. L. Markwell's.

News was received of the death of Mrs. N. T. Montgomery at Comanche, Indian Territory. She passed away with consumption on August 16th.

Misses Anna Ruth and Minda Lon Martin, two of our bright little ladies, are visiting Grandpa Degman at Maplewood Farm, Springdale.

Died, since our report, Uncle Benjamin Fearin, aged 76 years. He leaves several children, all grown. Interment in the Sagar Loaf Cemetery.

W. G. Martin, who has been appointed general agent for the International Shear Company, left August 22d for Lexington and other parts in Southwestern Kentucky.

Elder Bela Metcalfe failed to fill his appointment at the Valley Church, owing to the death of his son in Oklahoma. We extend our sympathy to him and his family in their grief.

Died, at his home near Sapp, W. J. McIntire, aged about 70. He assisted in a protracted meeting near here three years ago this fall and while here he made many friends who regret to learn of his death.

J. L. Million and daughter, Miss Rosalie, arrived home from Versailles last Thursday, where they were at the bedside of his daughter and her sister, Mrs. Doss Grayson, who is recovering from an attack of typhoid fever.

In answer to the Fearis correspondent's query, we wish to say Petersville is a country village on the headwaters of Kinniconick, six and one-half miles East of Foxport. Come to the G. A. R. Reunion at Petersville, Brother Fearis, and if you inquire of Colonel C. C. Dogman of Springdale we are sure you will have no difficulty in finding the place. Better still, bring Colonel Degman along; you can find no better guide. And maybe when our Editor learns Colonel D. is coming he will also come along, and I am sure you will not lack for good company.

The inhabitants of our little village were almost paralyzed over the killing of our Rural Mail Carrier, H. F. Luman, by Dr. C. M. Beach at Esculapia Springs. Mr. Luman's daughter, Bertha, had left home, and Luman and a friend, Grover Richie, had gone in search of her and found her at Luman's father-in-law's house near Black Oak Bottom. She was returning home with them and they stopped at the Springs to feed their horse. Beach ordered them to

leave and they hitched up and drove out, and Richie and the girl were in the buggy. Richie said something that made Beach mad, and Beach ordered the girl out of the buggy that he might kill Richie, and Hiram spoke up and said he would settle for all damages done, and as he reached his hand into his pocket for loose change, Beach exclaimed that he could settle the damage quicker than Luman could and he fired at Luman. The bullet struck Luman about an inch above the left eye and ranged downward, coming out near the spinal cord in the back of his head. Luman was well known throughout the county and left a wife and two children besides a host of friends to mourn his sudden departure. He was laid to rest in the Wallingford Cemetery by the Jr. O. U. A. M. Lodge. His wife was formerly Miss Agnes Petty, sister to Mrs. O. B. Mayhugh of Orangeburg.

WASN'T ON THE BILLS

Episode That Caused a Flutter at the Germantown Fair

Sometimes the things that are not on the bills excite most interest; and this was the case at the Germantown Fair on Saturday.

A ring of magnificent trotters was being shown, and there were four premium-takers in the bunch.

Among the entries was a Hamilton horse, with a Hamilton man presiding—and a Hamilton lady on the side.

When the Judges tied the ribbons the "fourth best" was hooked onto this horse.

Evidently the gentleman in charge was not pleased, for he reached for the ribbon, tore it into shreds, spit upon it and threw it on the ground.

And then he led his horse out of the ring, being followed by a lady who patted him on the back in approval.

In a little while the lady returned and set up a hunt for the Judges, and if she really found any of them they denied their identity and sent her in search of some other man.

She soon tired of the fruitless man hunt, and finally "collared" one young gentleman whom she nearly "shook out of his coat," carousing his cheeks with her dainty hand, and reading the riot act to him in vigorous language.

It is not certain that he was one of the "guilty wretches," but they do say he was a genuine hero, as he did not resent the abuse of the irate lady.

The opinion prevails that both gentleman and lady had ventured a few \$\$\$ on their nag, and the disappointment upset their usual good nature.

A GREAT WEAPON

Maysville People Cannot Fail To Appreciate the Worth of It

Only one weapon To fight backache— The weapon that strikes the cause— Doan's Kidney Pills reach the root; Their work in Maysville proves it. You read of cures made years ago, And the cures were lasting cures. Read the following: Mrs. Mary Thomas, wife of J. A. Thomas, of 204 Limestone street, Maysville, Ky., says: "I am only too pleased to confirm the statement I made in the spring of 1900 recommending Doan's Kidney Pills, after they had relieved me of backache and other symptoms of kidney trouble. I got them at J. Jas. Wood & Son's Drugstore. During the years that have elapsed since I made that statement I have had occasion to give Doan's Kidney Pills a further trial, and I have found that it requires only a few doses to ward off attacks of kidney trouble or to check them before they become serious. I can also point to the case of my boy, twelve years old, who at the time I first used Doan's Kidney Pills was troubled a great deal with weakness of the kidneys and could not control the secretions properly. I gave him Doan's Kidney Pills and he improved rapidly under the treatment. The relief he found has proved lasting, and from his experience and mine I am certainly warranted in recommending Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
